

SHAPED BY THE  
**SCRIPTURES**

WEDNESDAY, MAY 18

*As you begin, feel free to start by sharing something that impacted you this past week as you read the Scriptures.*

- What does it mean that the fear of the Lord is the beginning of wisdom? (Proverbs 1:7)
- Compare Proverbs 3:5-6 and Proverbs 3:7. How have you seen the truth of these words in your life?
- Share a time when you trusted God when it was hard to understand.
- Share a time when you were wise in your own eyes and suffered the consequences.
- How are you pursuing God's wisdom in your life right now? What is the next step you need to take based on what you have read this week?
